ETKO TUTTA

Slovenia

Born in 1961 in Postojna, Slovenia, and has been living in an artistic environment since his early years, as he was born in a family of painters. In 1985, he graduated in painting from the Teaching Academy of Ljubljana, under the tutorship of professor Miloš Požar.

For a few years, he was teaching at various schools in Nova Gorica and in 1992, as he got employed by Hit Casinos, he was able to devote more time to painting, where he started using different techniques and approaches.

In recent years, he ventured in the fields of sculpture, computer art, artistic installations, graphical design and decoration.

He has received numerous international prizes and held several exhibitions in Slovenia, Italy, Austria, Spain, France, Croatia, Hungary, China, Germany and Slovakia. He is among the founders and director of MMM ART, an international meeting of artists, held every year in Medana, Slovenia, and of the Art Circle Project. His works are held in private collections and exhibited in various museums of contemporary art across Europe.
