

GUILLERMO CANTON
GUATEMALA

Guillermo Canton He was born on June 29, 1995. From an early age he was instilled with the value of solidarity and the desire to help other people.

For this reason, he always looked for ways to help others. He is a graduate of the El Roble School Center, and studying Architecture with a Specialty in Interiors at the Universidad del Istmo (UNIS).

He considers himself a self-taught artist, passionate about the art and culture of Guatemala, entrepreneur and dreamer. He started painting at the age of 12 and has always seen art as one of the most complete artistic careers, since training a person in art requires a lot of discipline, creating more concrete thoughts.

His dream is to be able to make Guatemala a unique country with a great artistic scope. He considers that Guatemala is a country with great opportunities in the artistic field and his motivation is to be able to contribute to creating a different Guatemala where all resources can be used to the maximum.
