Rachel Thomas (India) is an Abu Dhabi based professional artist. She is an untrained artist who is also an Engineer with MBA by profession.

As a painter and photographer she expresses with colors and forms what she sees and hears in her mind. When she steps inside the space she is creating on canvas, she wants the viewer to go there with her - to experience the openness of the moment. Her sights has always been set on travel, exploration, art and literature, which planted the seed to paint.
