

***Naureen Usmani***

***Pakistan***

Artist , Painter , Book Illustrator .

Naureen Usmani is a UAE based artist who has been active in the art scene and participate in different exhibitions in different part of the world for over 20 years. She is best known for her majestic and mystical painting which truly depict art of Mughal and Persian miniature through her color pellet and mix medium technique , with her deep interest in , Print making , miniature ,and oil painting she came up with mix medium blending these mediums with the mystical subjects. Her work is magnificently textural, ethereal and poetic, bridging the gap between abstract and figurative by creating images dense with symbols and layers of meaning.
